

User manual

This is a tiny amusement park. It contains two amusement rides, a roller coaster and teacups. There are also a row of gift shops with a flag waving and firework booming in the sky.

You can find the executable file under directory “B10930002-P05-01/2_executable file/ AmusementPark.exe”.

This is what it should be like when open the AmusementPark.exe.

You can still control the roller coaster like the project before.
